

Newton Stewart Angling Association

NSAA

Newton Stewart & District
Angling Association

ASSOCIATE MEMBERSHIP

Part A – CONDITIONS FOR JOINING

- **Minimum Age** - Associate Members shall be 18 years of age or over as at the 1st March of the joining year. Juvenile Associate Members shall be 12 to 17 years of age as at the 1st of March of the joining year.
- **Sponsor** - Applicants must produce evidence of their angling skills through details of their previous club.
- **Mobility** - Applicants with mobility problems are requested to contact the club Secretary prior to making an application to ensure that we can meet their requirements.
- **Note** - The statement "Association Waters" means the body of water, together with its banks and shores as stated on the permit.
- **Warning** - Angling can be a dangerous sport. Lochs are deep, as are rivers which can also be swift flowing. Great care must be taken when wading or walking the banks of Lochs or Rivers as these may be boggy or have concealed holes or burns.
- **Safety** - You are responsible for your own safety whilst fishing any Association Water and the wearing of a life jacket when on these waters is highly recommended, particularly when using a boat.
